

Praying Together

Why It's Important to Pray With Others Action Plan

Praise God for a specific prayer you are expecting Him to answer. Write it here:

Write two scriptures that tell you God is worthy of praise.

Write two ways you will show your praise to God.

Set aside time each day to praise and worship God, raising your hands to Him.

We look forward to hearing from you. Please send us your testimonies so we can praise God together.

Please send them with us by visiting kcm.org/testify.
